ABSTRACT

This document is the second of a three-volume set made up of bibliographic citations to published texts, unpublished manuscripts, photographs, sound recordings, motion pictures, and maps concerning Native American tribal groups that inhabit, or have traditionally inhabited, northern and central California. This volume contains the bibliographies for the following tribal groups: Paiute, Patwin, Pomo/Kashaya Pomo, Shasta, Shoshone, Sinkyone, Tolowa, Wailaki, Wappo, Washo, Whilkut, Wintu/Wintun, Wiyot, Yahi/Yana, Yokuts, Yuki, and Yurok. Each tribal bibliography contains citations to materials that are tribal specific, along with citations to general materials that contain significant amounts of information on that tribe. (MES)
